Getting Started Guide

The Denver Museum of Nature and Science thanks YOU for fueling discovery and challenging kids to explore energy using the Powered By Nature Curiosity Kit!

Let's get started!

JUMP IN

STEP 1

Review the Teacher Guide

STEP 2

Unpack and review the materials

STEP 3

Lead the activity

Remember to take a photo with your class and their maps and share it with

#ExciteEd #CuriosityKits

#DMNSatyourplace #DMNSOffsite

WRAP IT UP

PACK IT

Use the Packing List (on reverse) to repack all materials

PASS IT

You are encouraged to share this kit with other classes!

RETURN IT

Seal and leave the kit at your front office by 8:00am Friday
